Legrand® International Products

Application

The easy-to-use CAB 3 Marking System provides legible and precise identification to wiring systems. CAB 3 features an easy-to-use dispenser system for fast marking, with an interlocking capability to eliminate movement on the wire.

Plus, the color-coding system allows instant recognition to help you save time.

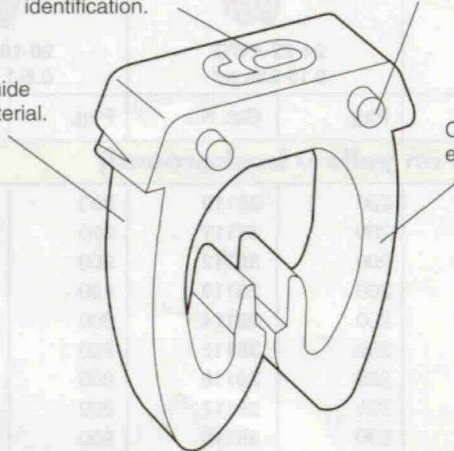

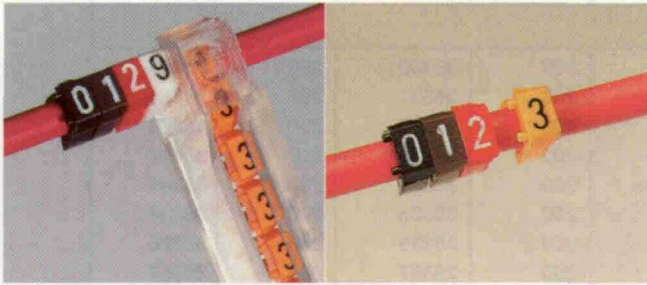

Product Features

Numbers are hot stamped for permanent identification.

Side clipping design ensures perfect alignment of markers.

Polyamide 6/6 material.

Color coded for easy identification.
