

PIPER

Conduit Tracking System

- Tracks conduits in minutes.
- Works in unobstructed 1/2" to 6" EMT, Rigid, or Plastic pipes to well over 300 feet.
- Finds pipe ends that would be impossible to locate by the old "stuff the fish down the pipe" method.

Part# 99005 1/2" - 1"
Part# 99006 1/2" - 2"
